* [REDACTED] Comment. This is presumably another step the BCP is taking to tighten its discipline and prevent surrenders from its own and PVO ranks, following the surrender of over 2,000 PVOs in Pegu District in a single week late in July 1950.

25X1A

[REDACTED] Comment. For details of a PVO meeting on [REDACTED] to discuss the surrender question, see [REDACTED] 25X1A

** [REDACTED] Comment. It will be noticed that communications are the sole target. Nothing shows that the instructions issued in June 1950 for the sabotage of government stores and patrol dumps have been put into effect. 25X1A
